THE EUROPEAN UNION

THE COURT OF JUSTICE OF THE EUROPEAN UNION

The Court of Justice of the European Union, the judicial authority of the European Union, ensures that EU law is interpreted and applied correctly.

As part of that mission, the Court of Justice of the European Union:

REVIEWS THE LEGALITY OF THE ACTS
OF THE EU'S INSTITUTIONS,

ENSURES THAT THE MEMBER STATES COMPLY
WITH OBLIGATIONS UNDER THE TREATIES,

INTERPRETS EU LAW AT THE REQUEST OF
NATIONAL COURTS AND TRIBUNALS.

IT COMPRISES

2 COURTS

THE COURT OF JUSTICE

THE GENERAL
COURT

THE COURT OF JUSTICE OF THE EUROPEAN UNION & CITIZENS

Many rules of national law stem from EU law and affect the daily lives of citizens: employment, environment, consumer protection, free movement of goods, freedom to provide services, etc. The Court of Justice, together with national courts, which refer questions to the Court, ensures the uniform interpretation of and respect for European Union law.

40 580

JUDGMENTS AND ORDERS DELIVERED

More than 40 580 judgments and orders have been delivered by the two courts since 1952.

**THE GENERAL COURT HAS JURISDICTION TO HEAR ACTIONS BROUGHT BY NATURAL OR LEGAL
PERSONS AGAINST ACTS OF THE EUROPEAN UNION INSTITUTIONS**

Since 1 September 2019, the General Court has 2 Judges per Member State. The Judges are appointed by common accord of the Member States for a renewable term of six years. The Judges elect the President and Vice-President from among their number for a renewable term of three years. They carry out their tasks with complete impartiality.

Over time, the General Court has become competent to hear cases at first instance brought by natural or legal persons and some cases brought by EU institutions (with the exception of those specifically reserved for the Court of Justice) in more than 40 subject areas (competition, intellectual property, environment, health, agriculture, external relations, EU staff cases, public procurement, access to documents, institutional law, and banking and finance). The judgments of the General Court can be appealed, on points of law only, before the Court of Justice.

ADVOCATES GENERAL'S OPINIONS

THE ADVOCATE GENERAL IS A
MEMBER OF THE COURT OF JUSTICE
BUT IS NOT A PARTY TO THE DELIBERATION

ADVOCATE
GENERAL

THE COURT
OF JUSTICE

DELIVERS AN OPINION

The Advocate General is a Member of the Court of Justice but does not take part in the deliberations.

The Advocate General participates in the hearing and some weeks later delivers an Opinion. In that Opinion, the Advocate General suggests to the Court, entirely independently, a solution to the dispute.

The Court is not required to follow that Opinion.

If the case raises no new question of law, the Court may decide to give judgment without an Opinion.

**THE JUDGES ALSO MEET IN THE CONFERENCE ROOMS
TO DELIBERATE AND DECIDE ON JUDGMENTS**

GRAND CONFERENCE ROOM

THE GENERAL MEETING OF THE COURT OF JUSTICE TAKES PLACE IN THE GRAND CONFERENCE ROOM

Every week, the General Meeting of the Court of Justice (including Judges, Advocates General and the Registrar) takes place in the Grande Salle des délibérés (Grand Conference Room). The General Meeting decides the formation of the Court to which each case will be assigned and decides on any measures of inquiry.

The Judges also meet in the conference rooms to deliberate and decide on judgments. Since those deliberations are secret, the Judges meet on those occasions without interpreters or other colleagues.

DELIVERY

**JUDGMENTS ARE

**OPEN

**THEY ARE AVAILABLE
IN ALL OFFICIAL EU LANGUAGES**
ON THE COURT'S WEBSITE
ON THE DAY OF DELIVERY

curia.europa.eu

Judgments and Advocate Generals' opinions are available on the Curia website on the day of their delivery. They are, in the majority of cases, subsequently published in the Reports of cases. More than 29 000 documents, all language versions included, were accordingly published in the Reports in 2021.

THE COURT REGISTRIES

The registries are responsible for pending case files and the register in which all procedural acts are noted.

The registries are the starting point at their respective courts for any case and the contact point for parties during the case.

The registries help the Judges in the daily administration of EU law.

The registries of the Court and the parties correspond via a computer application, e-Curia, which enables the secure electronic filing and transmission of procedural documents, providing litigants and the EU's courts with an effective and efficient service.

RESEARCH AND DOCUMENTATION

The Research and Documentation Directorate provides the two courts with information about the national law of the Member States.

It carries out research and legal analysis to assist the two courts in their judicial work.

It also contributes in making case-law and European Union law public through research tools available on the CVRIA website (curia.europa.eu)

24 language units are divided into 2 directorates for legal translation. The language units, supported by 3 units that provide support across the entire service, along with the Interpretation Directorate, contribute to the implementation of multilingualism, a fundamental value of the European Union.

The lawyer-linguists of the units mainly translate procedural documents, Opinions and judgments. The translation of these documents into all of the EU's official languages reflects the principle of equal access to justice for all EU citizens.

LANGUAGE ARRANGEMENTS – INTERPRETING

TO ENSURE THAT ALL CITIZENS HAVE EQUAL ACCESS TO JUSTICE

THE PUBLIC HEARING IS HELD IN THIS
LANGUAGE OF PROCEDURE AND THOSE OF THE
INTERVENING MEMBER STATES. SIMULTANEOUS
INTERPRETATION IS PROVIDED INTO ANY OFFICIAL
LANGUAGE AS REQUIRED.

To ensure that all citizens have equal access to justice, any one of the EU's 24 official languages can be used as the language of the case.

Simultaneous interpretation is provided into several languages to ensure that the parties, lawyers, Judges and the Advocate General can communicate during the hearing.

**COMMUNICATION IN THE VARIOUS LANGUAGES

Judges can be assured that the documents and archives held (290 000 volumes, the majority of which relate to EU law, and more than a hundred databases) will be managed, recovered, disseminated and conserved.

Citizens have access to the Court's administrative documents and the Court's historical archives (110 requests in total in 2021).

↓  24 OFFICIAL LANGUAGES

More than 2 200 persons, all EU citizens, work at the Court. They work in the Chambers of the Judges and Advocates General, and in the linguistic and administrative services. They have a variety of professional profiles, some specific to the Court of Justice (such as lawyer-linguists) and others not (lawyers, IT specialists, assistants, managers, etc.).

Called upon to work in a multicultural and multilingual environment, they all speak several of the 24 official languages. They are specialists in their own fields, working to serve EU law and the European project.

THE COURT AND THE ENVIRONMENT

EMAS ECO-MANAGEMENT AND AUDIT SCHEME

**ECO-
FRIENDLY
INSTITUTION**

The Court of Justice of the European Union has put in place an Eco-Management and Audit Scheme (EMAS) in line with Regulation (EC) No 1221/2009 in order to reduce its environmental impact in a structured way.

On 15 December 2016, the Court was awarded its EMAS certificate by the State of Luxembourg.

The EMAS system allows organisations to take voluntary measures to lessen their impact on the environment.

THE BUILDINGS

The seat of the Court of Justice of the European Union has been in Luxembourg since its creation in 1952. The first Palais (courthouse) of the Court was opened in 1973 on the Kirchberg Plateau and various extensions have since been added.

In 2008, the new Palais, designed by the architect Dominique Perrault, was opened. It is made up of the renovated original Palais, the Anneau, two towers and the Gallery. In 2019, the fifth extension of the Court was opened. This new third tower is the tallest building in the Grand Duchy of Luxembourg.

THE THIRD TOWER HAS 29 FLOORS AND
STANDS 115 M HIGH
